

Rome, 11th February 2020

To the MSOLA Entity leaders

To the M.Afr. Provincials and Section Leaders

Dear brothers and sisters,

We want to congratulate you for the way the 150th jubilee year was celebrated in your province and entity. We have witnessed to a lot of initiatives and creativity to mark this important event in the history of our two Institutes, ranging from going on pilgrimage to discover our ancestors' first missions or original homes, to writing our story, to composing songs, printing various materials, Eucharistic and other celebrations.

We would like now to collect as much of the material that has been produced as possible. Firstly it is because it is precious to have it in our archives so that others may consult it. Secondly, we are thinking of a publication in printed and visual form.

We are hereby asking you to find a way of sending us the material produced in your entity and province or region.

For the MSOLA please send your material to gen.council@msolafrica.org with a note **for the General Council**.

For the M.Afr please send your material to jubilee.doc@mafr.org

We would like to have this material by March 15th.

Thank you.

Your sister and brother in Christ and in Lavigerie,

Sr. Carmen Sammut

Fr. Stanley Lubungo
